

How To Have An A.C.E Day!

CONQUERING LIFE IN LOCKDOWN

Designed by Dr. Abbie Tolland and Claire Murphy with acknowledgment to Dr. Andrew Beck

What does A.C.E stand for?

ACHIEVEMENT

CONNECTION

ENJOYMENT

How can A.C.E help me?

Science tells us that when we achieve things, connect with our friends and family and do things we enjoy... it makes us feel good!

It also helps us plan for the day ahead so we can feel safe.

We need to try and achieve, connect and enjoy things every single day to keep ourselves well!

**Everyone's
A.C.E plan will
be different
because we are
all different!**

ACHIEVE

Achievement means to succeed at something.

What are the children in these pictures achieving?

CONNECT

Connection means to share some time with other people, nature and animals.

What are the children in these pictures doing to connect with others?

Can you think of anything else you can do to connect?

ENJOY

To enjoy means to do something that you love. What do you love to do?

What are your favourite things to do?

Remember, we
need to try and
achieve, connect
and enjoy things
**EVERY SINGLE
DAY** to keep
ourselves well!

What happens now?

Now it's time for you to make your own A.C.E card!

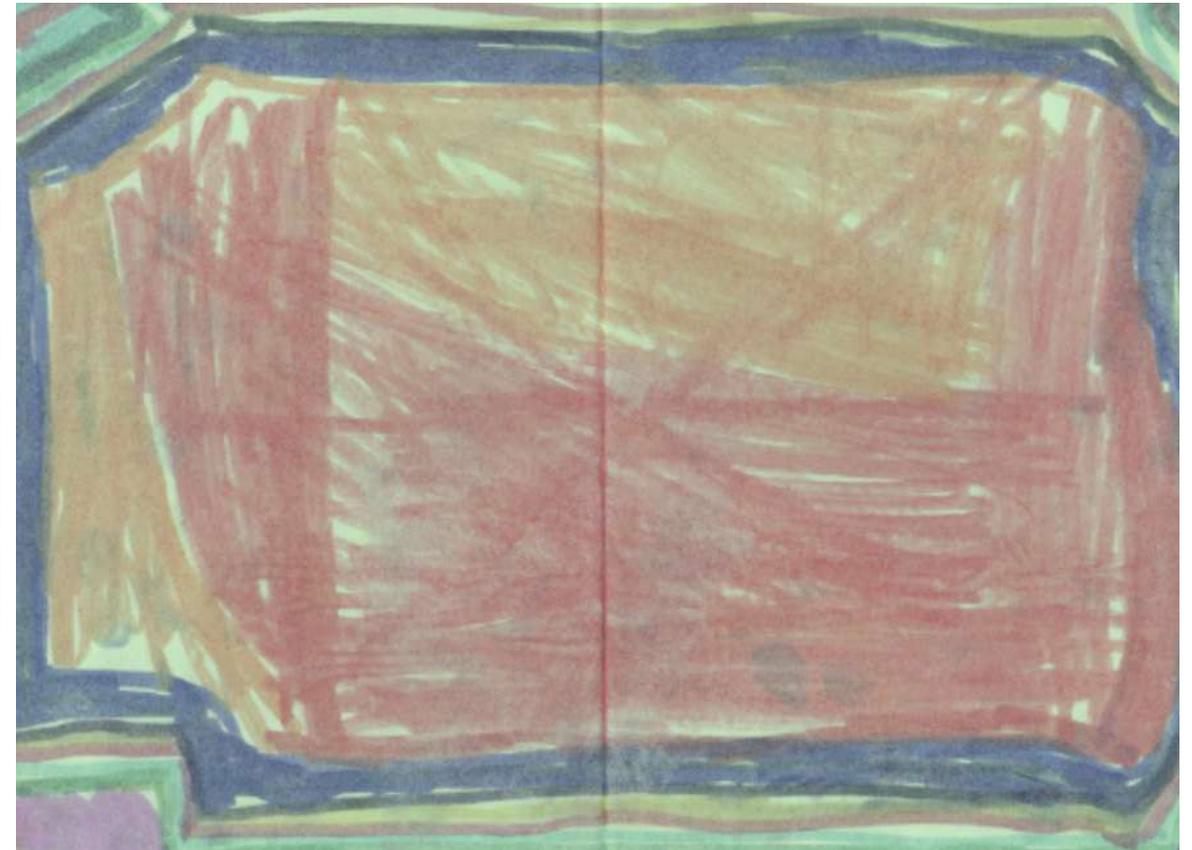

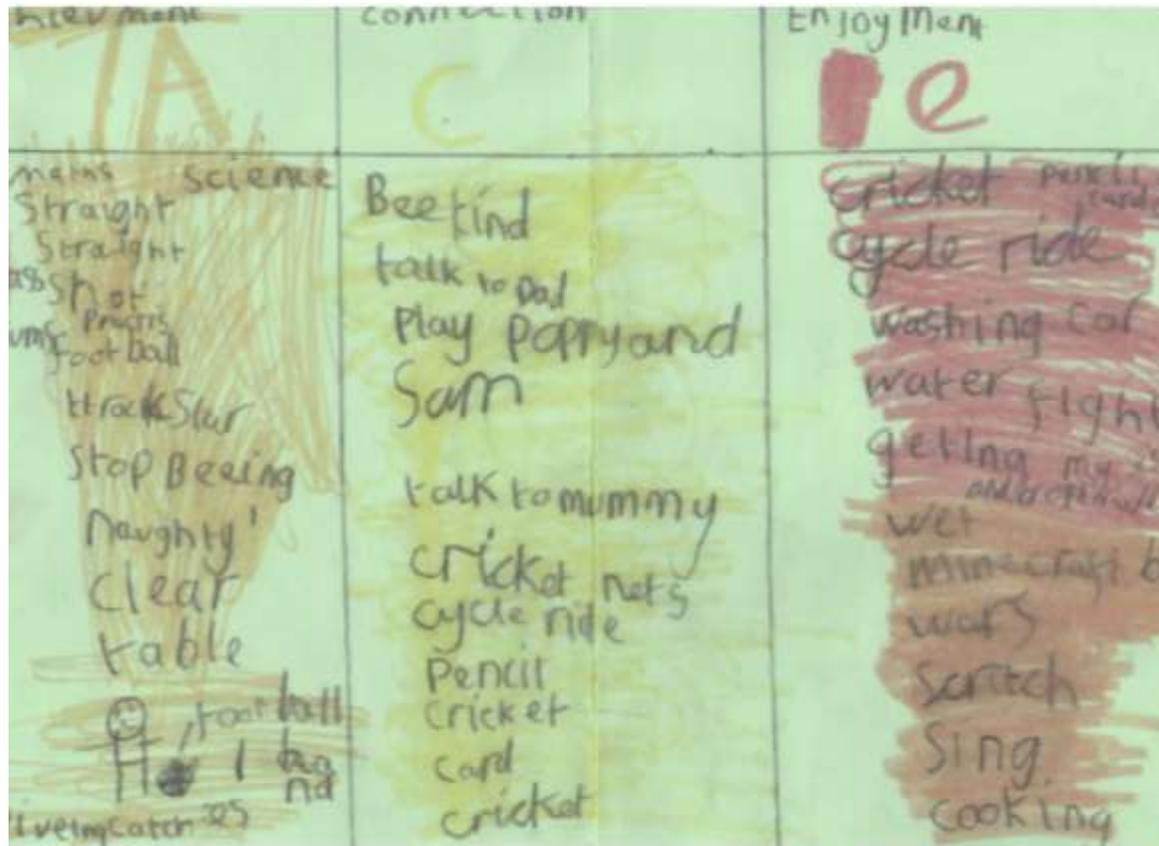

The next few slides will show you some awesome examples that children have already made.

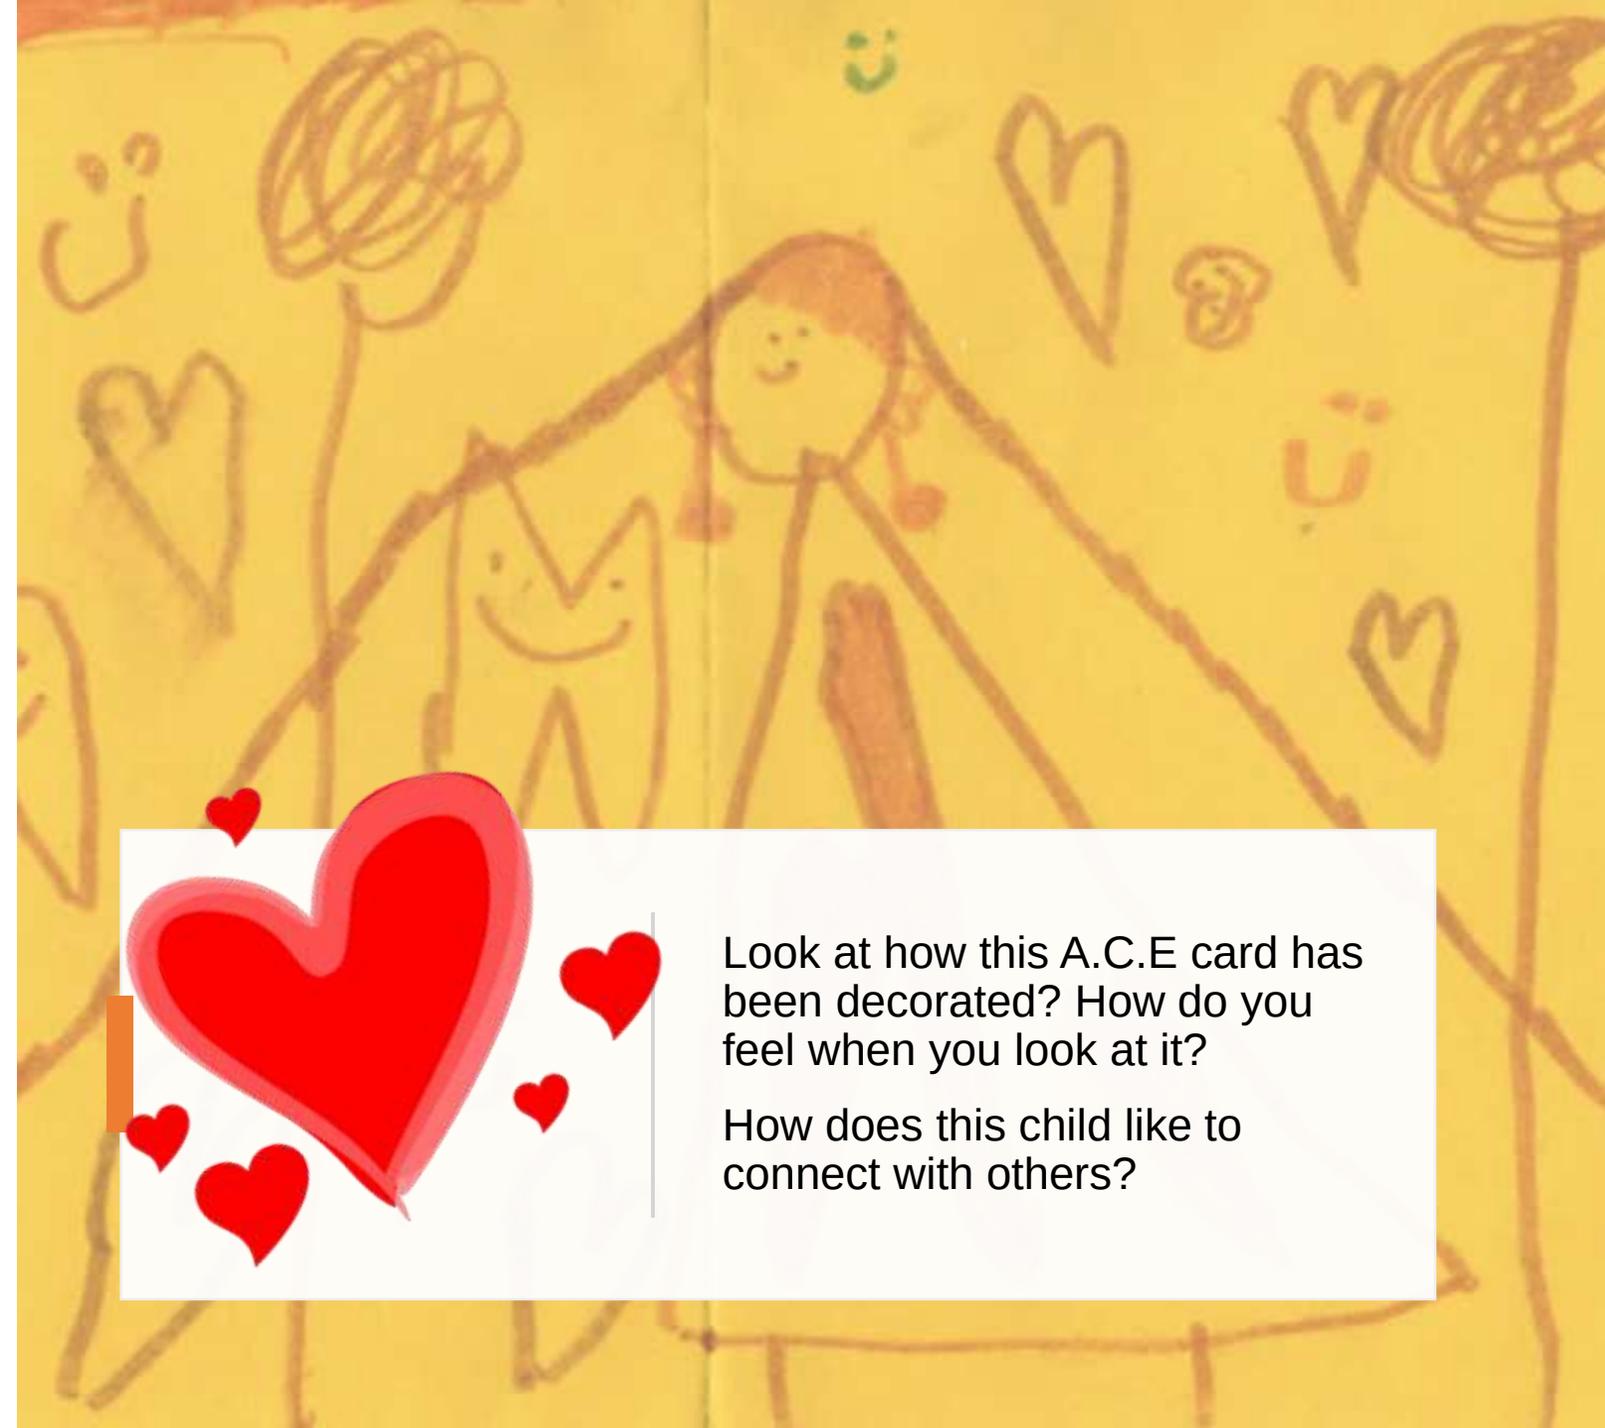

The examples will give you inspiration but, if you find it tricky to make a start, there are also some 'scaffolds' to help you out.

Have fun making your A.C.E card!

Can you make your A.C.E card as colourful as this?

Look at how this A.C.E card has been decorated? How do you feel when you look at it?

My A.C.E Plan!

Things I like to achieve...	Ways I like to connect...	Things I enjoy...
		

**If it's super hard
to decide what to
do on your own,
these plans might
give you some
ideas...**

Today is

Today I am going to achieve ... 	Today I am going to connect by ... 	Today I am going to enjoy ... 
<p>EITHER</p>  <p>OR</p> 	<p>EITHER</p>  <p>OR</p> 	<p>EITHER</p>  <p>OR</p>
