About Autism Hampshire

Who we are and what we do

Autism Hampshire was founded by the late Mr and Mrs Philip White MBE and a group of local parents with autistic children in Southampton from the late 1960s.

Over the years, the charity has developed to deliver high quality services that meet the diverse needs of autistic people in Hampshire and the surrounding area. We provide **autism-focused Training, Supported Living services, University Mentoring and an Information, Advice and Guidance Team** that responds to an average of 12,000 requests for help each year.

It is our VISION to create a better future with autistic people.

It is our MISSION to create opportunities, challenge perceptions, enhance choices and provide high quality services to meet the diverse needs of autistic people.

Through our understanding of autism and the impact it has on the individual, we work with people to help them develop skills and strategies to gain greater control over their lives.

Top Tips & 'How To's

Hints & Tips to maximise sponsorship money

- Ask friends and family to spread the word and explain what you are raising money for.
- Use social media to raise awareness of what you're doing and why to boost donations.
- Try and make sure your first sponsor is a big one. Hopefully others will follow suit.
- Aim high when asking your employer for a donation.
- Sometimes companies will match the sponsorship you raise, pound for pound. They can also get tax relief on what they give too.
- Try and get sponsors to make their donation in advance if they are giving a set amount, it will make life easier after the event.
- Set yourself a target and tell sponsors what it is, so they can see that they are helping you achieve it.
- Carry your sponsor form everywhere.
- If you are doing a sponsored challenge, think about holding an event alongside this to maximise the funds.
- Last, but not least, don't be afraid to ask; the more people you ask, the more you're likely to raise.

How to get your event noticed

Get local media involved

If you're holding a big event then Autism Hampshire would be happy to communicate with the local newspapers and radio stations. This also helps us to raise awareness of autism, therefore we would be happy to co-ordinate or join you with the marketing and publicising of your event.

Use our logo

We would be happy to send our logo and brand guidelines so that you can advertise that your event is supporting Autism Hampshire. Get the advertising approved by our marketing and fundraising teams.

Promote your event

Create posters and flyers to distribute around your local community, in businesses, schools and shops. Facebook, Twitter, Instagram and LinkedIn are a great ways to spread the word about your event to friends and the wider local audience. Don't forget to tag us in your posts!

We are happy to promote your event on our social media channels; please get in contact with the team at fundraising@autismhampshire.org.uk.

Planning a successful event

Plan ahead and think about the size of your event

The sooner you start planning, the less you have to worry about nearer the time! Think about the size of your event and give a fair time-scale to plan and get things done. Always ensure enough planning time is allocated to large scale events in order for things to run smoothly. Our team are happy to advise when planning big events.

Targets and budgets

Set yourself a realistic fundraising target and stick to a budget. You will need to review it regularly to make sure you are on track. Make sure, when planning, that any costs you may incur do not outweigh the income you are expecting.

Get things donated

Minimise costs by trying to get as many goods and services for free or at a discount. Let suppliers know you're running a charity event and ask local companies to donate prizes to auction or raffle. In return, offer them a mention at your activity and on any promotional material.

The guests

Consider who you are going to invite. Will there be a cost per person? When do you need to confirm numbers? Invite an Autism Hampshire member of staff to talk about the services we offer and the impact the funds you raise will make. Alternatively, have an 'Expert By Experience' give a talk about their personal journey being autistic.

When and where?

Check that your fundraising event won't clash with any major sporting events, social events or public holidays, unless you're planning your activity around them. Choose a venue carefully. If it is going to be a big event then you might need to hire a venue, although remember to keep at a minimal cost as this will come out of your fundraising income.

Form a fundraising team

Get help and form a fundraising team. Remember our team are here to help too!

Things you might want

We can supply promotional materials such as display banners and leaflets to help raise awareness of Autism Hampshire and the services we provide. Please send us an email to request this.
